

2023 Harbor Safety Plan Review

Comments & Justifications

Comment Period: September 13, 2023 to October 13, 2023

Commenter	Comment	Change incorporated into Plan?	Justification	Page #
John Farthing, USCG September 18, 2023	Recommendation to include the plan (Section B.6.) the required reporting for vessels to the Centers for Disease Control (CDC) under the conditions outlined.	Yes	The required reporting information is relevant to vessels calling into a U.S. Port. Added to HSP as a new subsection in Section C: Standards of Care.	60
Jenni Zielinski, SWAPA September 15, 2023	Minor edits – Change of Contact information, including numbers and emails, and the removal of language regarding propeller movement when a pilot is on the ladder.	Yes	Contact information for SWAPA has changed, and therefore requiring changes to be reflected properly in the HSP. Propeller movement language removed on page 30.	30, 31
